

CIRCULAR NO. DDPS-03/2025-26

DATED:- 17TH APRIL,2025

CLASSES:- NURSERY TO 10TH

SUBJECT:- EARTH DAY CELEBRATION

Earth Day is celebrated all around the world on 22nd April to support environmental movements and awareness about the need to save our planet. Building awareness about change and its impact on the planet can help us to create a greener tomorrow.

In order to help our little despites understand the importance of preserving the resources and learn to take care of their planet, some activities have been planned for classes Nursery to X.

1. Kindergarten: Thumb Painting/ Drawing Activity/Colouring
2. 1st to 5TH : Drawing Making competition
(Theme: Save Earth, Save Life)
3. 6th to 10th : Poster making competition
(Our Power, Our Planet)

All the activities will be conducted in Zero period.

Thanks & Regards
